Dedication

We the staff of the 1962 Spartan, proudly dedicate this book to our Science teacher, Mr. Davis. Along with teaching Science, Mr. Davis has sponsored a Science Fair, advises the National Honor Society, is a Senior Class advisor, and coaches the Junior High Football and Basketball teams.

We sincerely wish to extend our thanks and appreciation to him for giving his time so unselfishly to make Springport High School a better place.

Chester Betz, Sec.; Keith Gibbs, Pres.; Wm. Rogers, Supt.; M. Schmidt, Treas.; Earl Mead, Guy Lininger, Wayne Mead, and Gaylord Baum, Trustees.

The seven members of the Board of Education are the elected representatives of the voters of the school district. They operate under the policy that their basic reason for existence is for the education of youth. It is their duty to provide the facilities, the financing means, and the policies for operation of the system.

Pursuing the proposal of the citizens, the Board presented the need for a new High School to the voters who expressed their confidence with the passage of the issue. Within the coming year, this forward step will be a reality.

The many other tasks associated with a growing school system require hours of study and planning on finance, policy, personnel, maintenance, transportation, etc. The Board receives its annual award with the successful graduation of each proud Senior class.

ADMINISTRATION & FACULTY

Message From The Superintendent

This has been a great year for education in Springport. We have seen much educational progress on the part of high school students. There has been a fine feeling of co-operation between students and faculty. There has been a sense of satisfaction in achievement throughout the school. The new high school building that is now taking shape gives promise to an even better educational offering in the future.

In some ways this has also been a difficult year, with crowded conditions and all the problems involved. But we were able to get along and now the future looks bright as we anticipate a fine new building with facilities that will be suited to an up to date educational program.

I am happy to extend my congratulations to faculty, students and the entire community for making this a year of progress for the Springport High School.

Message From The Principal

The administration and faculty of the Springport High School have been proud of the student body and Senior class during this school year. You have had many hurdles in your way this year, but you managed to clear them all.

When this school year is completed, many of you will be completing your formal education, while others will go on for advanced training. No matter what your choice may be, your lives will be filled with hurdles. These hurdles will be more difficult to clear than any you have yet faced. We do believe that your experiences while in high school will help you with the many problems you will be facing. You must remember, however, that your education is a never ending process. What we have been able to do for you is but a small part in the educational process. If you will keep your minds open, alert and active, we are certain your future can be very bright.

We sincerely wish you success in your chosen fields.

ORGANIZATIONS

Student Council

The Student Council of Springport High School has been very active this year. Our first project was planning and sponsoring the Homecoming activities. These activities included the Snake Dance, Pep Rally, Parade, and crowning of the Queen and her dance.

Our next project was an Educational Display at the F.F.A. and F.H.A. Fair. We also had some clowns there to sell balloons. Our display won third place.

We are hoping to have other interesting and worthwhile projects throughout the rest of the school year.

The members of the Student Council are: Standing: Elizabeth Hosler, Mel Mead, Judy Wolf, Charlene Strayer, Norm VanderMolen, Denny Kaiser, John Johnson, Kathy Shepardson, Nancy Kregar, Gerry Smith, Darlene Gill, and Danny Keeler. Front Row: Mr. Thompson—advisor, Bill Chapel, Whit Lloyd, Bill Allen, Janice Austin, and Kathy Kittly.

The National Honor Society

What is the National Honor Society, and what does it represent? It is an organization that represents the top students of the school, and it is considered the greatest honor that one can receive in his high school years.

To be able to belong, the following qualities are required: a "B" or better average scholastically; character; scholarship; leadership; service; and be a member of the 10th, 11th, or 12th grade. Those chosen from the 10th grade become probationary members until they enter the 11th grade. The students who fulfill these requirements are selected by a committee of faculty members selected by the principal.

Every spring, the members are honored, and the new members are announced and sworn in at the induction ceremonies. The new members then receive a membership card, and a gold pin with the National Honor Society emblem on it.

The officers for the year of 1961-1962 are: President, John Caldwell; Vice-President, Judy Wolf; Secretary, Gay Rowland; Treasurer, Lorraine McLeod.

F.F.A.

Throughout the year the F.F.A. promotes many worthwhile activities. Among these are F.F.A. and F.H.A. Community Fair, Chicken Bar-B-Cue, and attending football games at Michigan State. Some other activities the F.F.A. promote to help the student are Leadership Training camps, Judging teams, District Elimination contests, Soil testing, Farm Safety programs, and others. The F.F.A. teaches a student the fundamentals of farming and how to get along with his fellow man.

F.F.A. members are: First Row - Left to Right; William Ames-advisor, Loren Cowles, Clyde Gibbs, Bill Sebastian, Ken Perrine, Elmer Heisler, Jeanette Dutton - Sweetheart, Karl Schmidt, Steve Hector, Tom Taylor, Ron Lloyd, Bob Risner, Roger Boekle, Donald Derhammer. F.H.A. is the main organization for girls in high school. There are many activities in which every girl may participate.

Every year the F.H.A. helps sponsor the F.F.A. - F.H.A. Fair which is usually held in late October or early November. We have an educational and money making booth. This year our money making booth was a variety booth and our educational booth won first place.

An informal and formal initiation is held every year to initiate new members and officers. The informal initiation was held September 26, and the formal initiation was held September 27.

Throughout the year we held a Mother-Daughter Banquet, sold Christmas cards, gave a fruit basket to an old people's home and have gone on hay rides and tobogganing parties.

F.H.A. is very interesting and a lot of fun for every girl who wishes to join.

The Springport High School Band takes an active part in all school activities which require their talents. They put on halftime shows at our football games, lead the Homecoming parade, put on Band Concerts, and play for other special occasions, such as the yearly Awards day.

This year the band attended Band Day at the University of Michigan. They have had various projects for earning money for new uniforms.

We have a new Band instructor this year, and he deserves a great deal of credit for the fine job he has done here at Springport this year.
